

2009 CURRIE MUNICIPAL GOLF COURSE BEVERAGE POLICY

The Currie Municipal Golf Course has obtained a liquor license to sell alcoholic beverages on the golf course and inside both the West and East Clubhouse. The Currie Golf Course will be selling non-alcoholic beverages as well.

In compliance with the Michigan Liquor Control Code, Currie Golf Course will have a Zero Alcohol/Beverage Tolerance Policy which means “customers are not allowed to bring their own beverages (non-alcoholic and alcoholic) on the golf course property”. All beverages consumed at the Currie Golf Course must be purchased at the Currie Golf Course. Any customer bringing his/her own beverage/cooler on the Currie Golf Course property will be asked to put the beverage/cooler back in the car or the beverage/cooler will be confiscated by the Currie staff.

Thank you
